

# Navigating Options

**Spice things up with your own customized dipping sauce!**

Make a tangy dip by mixing together hot sauce, honey, and BBQ sauce. All condiments can be found at **Ray's Homestyle Diner**, and honey is available at **Ray's self-serve coffee station**.

Change the flavor profile of your burger by simply adding "out of the box" toppings!

Grab some pineapple from **Ray's Salad Bar** and teriyaki sauce from **UCook**.

**\*Coming Soon\***

Stay tuned for our new "**Flavor Zone**" this coming Fall!

A chef curated selection of spices from around the world. This will be connected to our beverage station near **Global**.
